

IP Inclusive is a diversity task force made up of volunteers, all committed to making the world of IP more inclusive

IP Inclusive is for anyone working in IP, including support staff as well as examiners, attorneys, searchers, recruiters, solicitors....

We have 4 main objectives:

- 1) Raising awareness of the IP professions through our "Careers in Ideas" initiative and website
- 2) Building best practices through our Equality, Diversity & Inclusion (EDI) Charter - If you can see this poster in your office, your organisation is one of our signatories!
- 3) Providing EDI training
- 4) Forming Support Groups

Our 3 Support Groups are:

"IP Out" – for LGBT+ people & straight allies

"IP & ME" – for ethnic minorities & their allies

"Women in IP"

These groups hold open events throughout the year to raise awareness of issues and to provide support, encouragement and networking opportunities

Go to ipinclusive.org.uk for resources, blog posts, news on upcoming events and to sign up to any of our support groups

We are also on Twitter
