

Boult Wade Tennant and AIPLA Women in IP Global Networking Event

Date: Thursday 7 April 2022

Time: 5-7pm (BST)

Location: Boult Wade Tennant, 8 Salisbury Square,
Salisbury Square House, London, EC4Y 8AP

Boult Wade Tennant's London office is delighted to host an in person event as part of the AIPLA Women in IP Global Networking event, promoting women in intellectual property and innovation. Everyone is welcome.

In celebration of World Health Day on 7 April, the theme of this year's AIPLA event is "Being Happy and Healthy in Our Work". Over the last couple of years, the importance of health and happiness and its impact on other aspects of our lives has become even more apparent and this event will be a great opportunity to discuss and share our own experiences with one another.

The event will begin with a welcome and introduction session hosted by the American Intellectual Property Law Association, with opportunities to connect with events in other cities later on. In keeping with the health and happiness theme, during the event we invite you to sample a range of delicious, expertly crafted sushi, mocktails (and cocktails), with chances to participate and learn how to prepare these tasty and healthy treats.

We hope you will be able to join us for what will be a great event and a long awaited opportunity to connect in person with fellow local AIPLA members and guests.

Please let us know if you would like to come along by sending your RSVP to events@boult.com by no later than Wednesday 30 March. In the interest of everyone's health and safety, we will be limiting numbers for this event and places will be allocated on a first reply basis.
