## Membership Updates

Discussed proposed new IPIAB members and the ongoing process for approval and joining IPIAB.

## Non-binding Actions/Suggestions Arising from Discussions

If there is enough historic event footage and corporate quotes Pete Fellows offered his company to cut into a video for social media.

Sally to seek formal approval *via* email from current IPIAB members (in particular those not at today's meeting) for the 8 proposed IPIAB members (now done).

If not already done, IPIAB members to look at Careers in Ideas website and provide feedback.

Ben to make links with IPO men's network and IPI to understand if there is an appetite for men's network in IPI.

Sally to check that emails are correct on all the IPIAB invites.

Carol to forward the formal meeting request for IPI Annual Meeting (now done).
