Summer of IP introductory events

Before you take part in any *Summer of IP* activity, please join one or more of our introductory events. These are provided by our Careers in Ideas team and will introduce you to the basics about intellectual property and the careers available here. Some will give more detail about routes into particular careers, even helping you to put your application together or giving you a chance to speak to people who already work in IP.

You'll be able to find more information about these events on our *Summer of IP* webpage at <https://ipinclusive.org.uk/careers-in-ideas/summer-of-ip-2024/>. Keep an eye out as we'll be adding events as we go along.

You could also consider signing up to our Mentoring Hub (<https://ipinclusive.org.uk/careers-in-ideas-mentoring-hub/>) if you're interested in an IP career and would like a little help getting in.

The formal stuff

Summer of IP activities are run by individual participating organisations, all of whom recruit into IP sector roles in the UK. They decide for themselves what type of activity or event they want to offer; where, when and for how long it takes place; and the people it's suitable for. They take responsibility for complying with relevant legislation and other appropriate safeguards. *They will treat you fairly, considerately and respectfully.*

All of them have agreed to comply with our *Summer of IP* guidelines, which you can find at <https://ipinclusive.org.uk/wp-content/uploads/2024/03/240320-summer-of-ip-24-activity-provider-guidelines.pdf>. The guidelines are there to ensure that participating organisations have the appropriate provisions in place to ensure the activity is a success. They will help to safeguard participants' privacy and wellbeing, the quality of the *Summer of IP* offerings and their alignment with IP Inclusive's objectives (see "About Careers in Ideas" below).

For instance, although activity providers can set their own – reasonable – criteria for selecting people to take part in their activity, they must have an objective and non-discriminatory recruitment process. The process and its timings should be clear and transparent and have reasonable adjustment policies in place which support those who have a condition, impairment or disability.

All activity providers are committed to improving equality, diversity and inclusion within the UK IP professions. They are IP Inclusive supporters and partners and/or signatories to the IP Inclusive EDI Charter¹. Many have an individual in their organisation who has signed our Senior Leaders' Pledge².

If you have any problems or concerns about a *Summer of IP* activity, please contact the activity provider directly. We've provided information about how to do that in the table above.
